Cuyahoga Valley District Merit Badge Midway

Merit Badge Midway Explanation and Schedule:

The Merit Badge Midway is designed for Scouts to learn about Merit Badges. Consider it as a Trade Show for Merit Badges.

They may Start , Finish or totally complete a Merit Badge .

To start a badge , the Scout simply needs to visit a counselor at the Midway. Establish contact with counselor and follow the instructions the counselor gives. Set up a date to meet with counselor to finish badge.

To finish a badge , the Scout must have the prerequisites done. If badge has a time requirement or work to be completed , this must be done. A partial badge may be completed as long as Scout has met with a counselor and has requirements signed off.

To complete a badge in a day , it must be a badge that can be done with a counselor in the time period .Some examples are , fingerprinting , coin collecting , ect. Any required information must be done.

The Merit Badges are scheduled as open sessions. Check in with counselors to see what their schedule will be. Each counselor may have different time requirements to do.

The Advancement Sessions will be scheduled every hour between 11:00 am and 2:00 pm. Tom Oden , Steph Volek , and Mike Reville will be training on these subjects.

Trail to Eagle : Help a Scout plan a project and prepare his paperwork for Eagle.

ScoutMaster Eagle information: To help Scoutmaster and Advancement Chair coach a Scout in Eagle preparation.

Merit Badge Counselor: To train counselors on proper procedures of counseling. Any adult welcome to see if they might want to become a counselor. Review certain badges that have specific policy requirements.
