Cabins are heated with wood so bring a warm sleeping bag as the cabin will get cold at night. All Saturday meals will be provide by the Klondike. We will stop for Sunday breakfast on the way home as we did last year. Sunday breakfast will be paid for by the troop as part of the scout's fee. We will take our two Klondike sleds and compete with other troops on Klondike events focusing on scout skills, working as a patrol and problem solving! Come and enjoy this day in the snow! **We need a commitment early so we can get our reservations in on time to the Firelands camp!
